## LA CRÊPE AUTREMENT

Founded by Bertrand Larcher, Maison Breizh Café embodies the connection between Brittany and Japan. Born on a farm near Fougères, Bertrand Larcher has a deep respect for the land and those who cultivate it. After training in Dinard, he followed his wife Yuko to Japan, where he discovered soba, a local buckwheat tradition. In 1996, he opened the first Breizh Café crêperie in Tokyo, blending Breton expertise, buckwheat, and cider.

Today, Maison Breizh Café is built on fundamental pillars: the Breizh Café Farm, dedicated to buckwheat and cider apples, and the Crêpe Workshop, an international training school. Respectful of Breton heritage and committed to sustainability, it forms an ecosystem where tradition, excellence, and knowledge-sharing help promote Brittany both in France and around the world.

**THE BUTTER** -In Brittany, salted butter enhances flavors. It's a natural flavor booster, and we love enjoying it throughout the day. Since the very beginning, Breizh Café has worked with Maison Bordier, a master butter and cheese artisan located between Saint-Malo and Rennes. Their butter is made using a traditional kneading technique on a wooden board, which gives it an exceptional depth of flavor. It comes in a variety of delicious flavors.
